

WINGS OVER CAMARILLO STEM PAVILION

August 16 & 17, 2025 @ Camarillo Airport

www.wingsovercamarillo.com

STEM PAVILION (SCIENCE, TECHNOLOGY, ENGINEERING, MATH) *inspire the next generation*

The Wings Over Camarillo STEM Pavilion highlights what is new in aviation and aerospace and other Science, Technology, Engineering and Math fields. It's a place for families to fly drones, see robotics in action, learn how airplanes fly, create all types of flying objects, participate in many hands-on, fun activities and learn about education opportunities and STEM programs in the area.

Exhibitor Booth Space:

We are looking for area businesses and aviation/aerospace/STEM professionals who are interested in sharing their expertise with local youth by hosting a hands-on activity or booth to inspire the next generation. It's easy to sign up by scanning the QR code or clicking this link: [Event Hub](#) Under "Register Now – Book Booth" click on "Show More Booths" then click on STEM Pavilion Exhibitor. Follow the prompts to register and describe your booth.

For more info **CONTACT:** STEM@wingsovercamarillo.com

The STEM Pavilion is located inside a large hangar. Space can also be available outside the hangar for larger displays. There is no cost to participate and no vendor activity is allowed. We will provide a 6' table and 2 chairs and electricity if needed. We are open to the public both days from 9 am to 4:30 pm.

STEM Pavilion Features:

- ✓ Drone Cage
- ✓ Hands On Activities
- ✓ Robotics Demonstration
- ✓ Simulators
- ✓ Building Stations
- ✓ Fun for all ages
